D E D I C A T I O N

To the alumni and former students of Pipestone High School who are storming the beachhead of the world, who are fighting today for that new world of tomorrow—

a world that is swiftly and surely rising from the blood, sweat, and tears of all as a tribute to Democratic Ideals

—to you, fellow Americans, is this '43 Pipestone humbly and respectfully dedicated.

Pipestone High School

To the Class of 1943

You are finishing your high school course under most trying conditions. Your personal plans must defer to the welfare of the nation. We congratulate you on your calm acceptance of this situation and your serious efforts to prepare yourself for what lies ahead. It denotes a clear understanding of the principles of democracy and a willingness on your part to make sacrifices to insure the American Way of Life.

As you enter war service, be it combatant service or one of the many auxiliaries which makes combatant service effective, we extend to you our best wishes and the hope of a short "duration." But we also recognize that post-war adjustments will be long and drawn-out and that you may spend your lifetime in these activities. We hope that your four years in Pipestone High School have given you a background of experience and knowledge upon which you may draw to help solve these most difficult problems.

Senior Chronicles

Four short years ago in the fall of '39 we entered high school, ready for anything and "rarin' " to go with a new feeling of pride and importance. Our class officers were: John Hallahan, president; Lois Ann Tostengard, vice-president; Harold Ibach, secretary; Betty Jane Linnemeyer, treasurer. Mr. Strom, Mr. R. J. Knutson, Miss Ramthun, and Miss Curry were our class advisers.

Our departure from this first eventful year was made more pleasant by having a Masquerade Party in the gymnasium.

After a much-too-short summer vacation we came back to a completely remodeled schoolhouse. We chose as our class officers John Hallahan, president; Roberta Knutson, vice-president; Harold Ibach, secretary-treasurer. As faculty advisers we asked Coach Sandell, Mr. R. J. Knutson, Miss Hammlett, and Miss Kraus.

An old fashioned barn dance by our biology classes made a very fitting close for our sophomore year.

Now, realizing that we had come to the half-way mark, we felt sufficiently able to undertake the responsibilities of the next step toward graduation—we became the busy juniors. Joan Bensell was elected president of the junior class; Benjamin Gurley, vice-president; Lois Ann Tostengard, secretary-treasurer; and Mr. Nelson, Miss Walther, Mrs. Colby, and Mr. Owens, advisers.

The junior play, "June Mad," was presented under the direction of Miss Walther, and was very favorably received by a large audience.

In the spring we had the honor (and work) of planning and decorating the gymnasium, and finally entertaining the seniors at the Junior-Senior Prom on May 13.

Oh, wonderful day! When school opened again, we became dignified and mighty seniors. Now we stood, the leaders of the school, ready for the extra studying and hard work in preparation for our graduation. John Hallahan was again chosen as president of our class, with Jack Lambert as vice-president, and Betty Jane Linnemeyer as secretary-treasurer. Our able advisers were Miss Jones, Miss Schmit, Mr. Davis, and Mr. Hollister.

This last year soon proved to be an active one, with many successful organizations doing their part. Under the very capable direction of Mrs. Axvall our senior class presented the play, "Sixteen in August," which was well acted and favorably received by all.

We, in turn, were invited to the Junior-Senior Prom on May 14 and a wonderful time was had by all.

Skip day, the Annual, exams, Baccalaureate, caps and gowns, Commencement!

It is with sincere regret that we look back on these experiences, which we shall always remember in connection with our high school days. Regardless of what the future holds for us in these days made dark with the horrible clouds of war, we shall always think back with longing hearts to the happy, carefree days in Pipestone High.

The Peace Pipe

The Presentation of the Peace Pipe on Commencement night is a custom which is cherished by Pipestone High alumni as well as by the student body.

The idea of the Peace Pipe presentation and acceptance was fostered by Alex G. McKnight, president of the class of 1897. Bay Dyer of that class presented it on behalf of the Seniors to Grace Wilson, '98, who is now Mrs. Alex G. McNight. The '97 class colors were pink, white, and nile green.

This pipe, which is carved from the beautiful red Pipestone immortalized in Longfellow's "Hiawatha," has attached to it the colors of all former graduating classes. It is presented by a senior to a member of the junior class and represents the seniors' farewell to their beloved PHS.

Those participating in recent years are:

Ambrose Holland.....'37 to Ordeth Michael.....'38
Vincent Henderson.....'38 to Vivian Wilson.....'39
Willard Williams.....'39 to Alice Eggers.....'40
Dick McKown.....'40 to Lucille Hanson.....'41
Faith Hart.....'41 to Robert Benjamin.....'42
Norman McCorkle.....'42 to Macey Ihlan.....'43

This year the Peace Pipe will be presented by:

Joan Bensell.....'43 to Donald K. Nelson.....'44

We Prepare Socially

Library

The library is one of the most important rooms in the school. It is an aid to social and school life.

An increase of 421 books over last year brings the total number of books now in the library to 6,500. The total circulation for the last school year was 36,173. Of these 17,346 were children's books, and 18,729 were high school books. The average circulation a month was 4,000, and 215 was the average daily circulation. The average number of books circulated per student was 30. The school has subscriptions to sixty magazines.

There are six library cadets who will receive letters this year. They are the following: Paul Jansen, Irene Schalow, Maxine Frank, Caroline Priester, Joan Kugel, and Beverly Sturdevant. Their work as library cadets consists of the shelving, filing, typing, mending and desk work.

First Row: Lorraine Appeldorn, Betty George, Lois Ann Tostengard, Macey Ihlan, Dorothy Jepsen, Viola Trigg, Lorraine Powell

Second Row: Delores Sindt, Roberta Knutson, Rosemary Melcher, Darlene Tjards, Lois Rasmussen, Phyllis Sindt, Anita Karlson.

Third Row: Kenneth Karlson, Wallace Ring, Donald Paauw, Ronald Bartels, Clifford Reese, Edward Filer.

National Honor Society

Each year fifteen per cent of the seniors and five per cent of the juniors become eligible to membership in the National Honor Society, membership being based on highest scholastic averages in each group. Our charter, number 2046, was granted to Pipestone Chapter in 1938. Sponsors are Miss Jones, Miss Lowe, Mrs. Colby, and Mr. Nelsen.

The present roster includes fifteen seniors and five juniors, elected as follows:

January, 1942: Anita Karlson, Roberta Knutson, Lois Tostengard, Phyllis Sindt, Dorothy Jepsen, Kenneth Karlson.

September, 1942: Ronald Bartels, Lois Rasmussen, Darlene Tjards, Viola Trigg.

January, 1943: Wallace Ring, Lorraine Powell, Mary Grace Ihlan, Betty George, Rosemary Melcher.

Juniors, January, 1943: Lorraine Appeldorn, Donald Paauw, Deloris Sindt, Clifford Reese, Eddie Filer.

Back Row: Don Erickson, Betty Jane Linnemeyer, Ronald Bartels, Lois Ann Tostengard, Bonnie Jurgensen, Willis Walz, Viola Trigg, Jack Lambert.

The Pipestone: 1943

The Annual Staff has taken special pride in creating this, the twenty-second volume of *The Pipestone*. We have chosen as our theme "Democracy in a Free World," and it has been our special pride to prepare the list of former boys and girls of P. H. S. who are giving their all to achieve this ideal. It is our sincere hope that our theme in next year's Annual will be "Victory and Peace for All." May this record of events in P. H. S. this past year be a source of pleasure to our readers.

F. F. A.

The Future Farmers of America is a group of vocational agricultural students who have as their motto, "Learning to do, doing to learn, learning to live, living to serve." This chapter was started in Pipestone in 1930 under the direction of Mr. R. J. Knutson. It has grown from a group of twenty-five boys to the present group of fifty-one.

This year's chapter with thirty new members chose the following officers: Daryl Gilliland, president; Stanley Smith, vice president; Walter Jepsen, treasurer; Bob Penning, secretary; Bob Powell, reporter. Mr. R. J. Knutson is the adviser.

The Pipestone Chapter was represented at the district Judging and Identifying Contest at Jackson, Minnesota, by Charles Ripley, Louis Huebner, Donald Buhman, and William Schmidt.

The F.F.A. held a Father and Sons Banquet. Last summer they took a trip to the Black Hills.

The purpose of the club is to practice brotherhood, honor rural opportunities and responsibilities, and develop those qualities of leadership which a Future Farmer should possess.

First Row: Donald Earhart, Dick Colby, Clark Hickman, Keith Thorndyke, Jack Crook, Donald Nelson.
Second Row: Paul Ashton, Leslie Kallsen, Gilmore Tostengard, Donald Erickson, Fred Dahl, John Pinnell, Ben Gurley.
Third Row: Harold Ibach, Jack Lambert, Walter Benjamin, Reed Hart, Lloyd Thorndyke, Bob Cook.
Fourth Row: Dick Cheney, Willis Walz, Douglas Stillwell, Ralph Mizner, John Hallahan, Donald Steinmeyer.

Hi-Y

This year the Hi-Y was organized into a better and more efficient club by the adviser, Coach Milton Hollister. Keith Thorndyke Jr. and Douglas Stillwell acted as president and secretary-treasurer respectively. The total membership was organized into five standing committees through which the business was conducted.

Because of the war the Hi-Y sponsored a Scrap Drive to collect the vital metals of copper, brass, and bronze. The club netted 2000 pounds of scrap in the drive. Two grand prizes were contributed by the local theatre, and consolation prizes were given in war stamps.

The club sponsored one school dance and also several parties for themselves. The Senior Hi-Y group published basketball programs and sold them to the tournament fans.

The pledge of the Hi-Y is: To create, extend, and maintain Christian principles throughout the school and community, which is a very good policy for any organization in this war-torn world.

Band

The band has been under the very able and efficient direction of the new band leader, Robert L. Chandler. Mr. Chandler is now planning the Music Festival, which is to be given in May. The band's contribution will be several numbers and solos by various members of the band.

Swing Band

The swing band was organized and is under the management of June Zetterlund. The public was entertained at different times during the school year by this swing ensemble; they furnished music for the class play, several school dances, the Amateur Contest held at the Orpheum Theater and various other functions.

National Athletic Scholarship Society

The National Athletic-Scholarship Society was first introduced into Pipestone High School in 1930-31. Our charter number is 1391. The purpose of this Society is to raise the standard of scholarship among athletes in high school. At present there are 1,500 chapters of this organization in high schools in the United States. Twenty P.H.S. boys have won letters in various sports the past year, and their scholarship is high enough for them to become members.

Track '42 through Basketball '43—Steve Hicks, Al Winters, Orie Barnes, Verne Long, Earl Pfantz, Elwin Thiele, Bob Benjamin, John Hallahan, Donald Halloran, Jack Crook, Bob Shane, Willis Walz, Douglas Stillwell, Harold Lovell, Ben Gurley, Ray Brockberg, Donald Steinmeyer, Keith Thorndyke, Harold Ibach, and Walter Benjamin.

American Legion Medal

Since the year 1925, the Albert Michael Post No. 6, of the American Legion has presented a medal to a senior boy possessing both scholastic and athletic ability.

In order to qualify for this medal, a boy must have been a member of at least three athletic teams during his last two years of school, attended P.H.S. for four full semesters, besides being a highly rated student.

The medal winners of previous years are:

1925.....Harold Tofflemire
1926.....Forrest Sweet

Boys' Physical Education

Because of the national emergency, physical education is offered to boys in all grades through the twelfth.

The high school boys enrolled in physical education classes number 269; 174 of these boys have, in addition to physical education, two or more hours a week of other physical activities in varsity sports and intra-mural recreation.

Junior intra-mural is composed of ten teams and approximately 70 boys. Senior intra-mural recreation consists of eight teams and approximately 56 boys.

Physical education and intra-mural activities which are offered to the boys are as follows:

Tests and Measurements.....2 weeks
Touch Football.....2 weeks
Soccer .....3 weeks
Basketball .....4 weeks
Tumbling .....6 weeks
Commando Training.....2 weeks
Calisthenics .....3 weeks
Boxing and Wrestling.....5 weeks
Obstacle Racing.....2 weeks
Track .....2 weeks
Softball .....1 week
Volleyball .....3 weeks

Physical education classes as well as intra-mural activities are offered two days a week.

Declamation

This year seventeen students took part in declam. As a result of two local elimination contests Macey Ihlan, Anita Karlson, Arlene Johannsen, and Maxine Karlson, entered the sub-district tournament held at Luverne, March 8. Macy and Arlene went on to represent P.H.S. at St. James, March 17, where both girls were rated "very good."

The following are those who participated in the local declamation contest held in our own high school auditorium, Monday, February 17, under the direction of Miss Margaret Lunder.

Debate

Opening the debate season with a panel discussion before the assembly during American Education Week on the topic, "In What Kind of World Do We Wish to Live," the debaters continued their study of post-war planning during the entire season.

The national debate topic, "Resolved, That a Federal World Government Be Established" furnished ample opportunity for timely research and friendly argument.

Curbed a bit by gas rationing and tire conservation, the squad, nevertheless, received some excellent experience in several debate tournaments. The '43 season consisted of 29 debates, with the following results: 10 wins, 17 losses, 2 non-decisions.

The debates were held as follows:

Flandreau	February 8	2	2 non-decisions
Gustavus	February 12, 13	8	Won 1—Lost 7
Madison	February 20	8	Won 4—Lost 4
Regional	February 25	3	Won 3—Lost 2
Mankato	February 26, 27	8	Won 4—Lost 4

In the regional tournament Mankato placed first; Pipestone, second; and Delavan, third.

Red Caps

The large crowd of basketball fans attending the district tournament at Pipestone in 1941 was so well served by the attractive-looking Red Caps that they were asked for repeat performances in 1942 at the Regional Tournament, and at the District Tournament in 1943.

Each year a new group of girls is selected to help in handling the enthusiastic crowd, and in making the visitors feel at home; as well as adding a touch of color to the scene.

D. A. R. Medal

The local Catlinite Chapter of the Daughters of the American Revolution present a medal to a senior girl each year. This girl must possess to an outstanding degree the qualities of dependability, service, leadership, and patriotism. Anita Karlson was our pilgrim of "1943."

The delegate is chosen by the senior class. Her name is sent to Minneapolis with the names of other Minnesota delegates. From these pilgrims, one girl is chosen to make the trip to the National Pilgrimage in Washington. This year, because of the present emergency, a $100 war bond was given to the winner, June Ellingson of Roosevelt high, Minneapolis.

The medal winners in previous years are:

1936.....Naomi Knudtson
1937.....Hannah Walseth
1938.....Amy Ring
1939.....Carol Edwards
1940.....Christine Wabeke
1941.....Wanda Weatherly

Pipestone School Has Important Program of Wartime Activities

Report Submitted by James Gladhill to Commission at Washington

———

Several Special Courses Carried on, Preparing Students for War Service

———

A report of the Pipestone school's war time activities from February 1, 1942 to April 9, 1943, has been compiled by James Gladhill of the local faculty from summaries furnished by faculty members in charge of separate enterprises, and sent to the U. S. office of education and its wartime commission at Washington, D. C.

The report clearly reveals the influence of the war on school activities, both in class room work and in additional phases, and its scope is such that practically every student from the lower grades through high school is affected to some degree.

Of most interest to the general public is the continuous campaign to sell War Stamps and Bonds to school students, started in February, 1942. By the close of the school term in June, the students had paid out for stamps and bonds a total of $8,099.55. A contest between grades of the junior and senior high schools during this period was won by the eighth grade with a per capita average of over $18.75.

On October 1, 1942, a "jeep" contest was started between the junior and senior high schools, with the aim of each buying a jeep by Christmas. On December 17 both contestants had exceeded the $1,000.00 goal, the junior high with $1,538.60 and the senior high with $1,432.20. The grade school during this period bought a total of $600 in stamps.

The total cash value of stamps and bonds sold in the school from February 1, 1942, to April 9, 1943, was $15,130.85.

The current stamp and bond drive has completed the word "Victory" that is now painted across the windows above the main entrance of the school building. For each letter that was painted on the window, $400 in stamps and bonds had to be purchased by the whole school. The drive was started on February 1 and the goal was achieved on April 9. The remainder of the year was devoted to the sale of bonds, with an appeal made to every student to fill his or her stamp book and to exchange it for a bond!

Agriculture Instructor R. J. Knutson made arrangements for several defense training courses, some of which are in operation at the present time. There have been courses in tractor, truck and automobile repair and maintenance and one in sheet metal work and welding. Running at present are courses in the repair of farm machinery and equipment at a number of shops in Pipestone, Holland, Trosky, Ihlen and Jasper. At Jasper there is a well attended class taking a course in pork production, arranged for by Mr. Knutson and taught by Dr. E. D. Merkley, Jasper veterinarian.

While the above courses are principally for adults, they were arranged for by local school men and some of the courses utilized school facilities and equipment.

Another adult course in charge of the school was for the conservation and care of clothing, and classes were instructed by Miss Florence Jensen of the Home Economics department. There were about 25 women taking the course, which consisted of 12 weekly lessons.

Russell Hall of the industrial arts department directed the building of model airplanes for use by the U. S. Navy in training its personnel, and 100 planes have been made up to the present time. Models of about 50 different types will be included when the entire series is completed.

Victory Corps training for high school boys, with the objective of

improving their physical condition, is under the direction of Milton Hollister, physical education instructor. 263 boys are in the classes which stress more strenuous types of exercise and rougher kinds of sports. The real purpose of the course is to enable the boys to be prepared for the rigors of military life, if and when they are called to service.

Miss Emma Mattill, school nurse, was in charge of a scrap drive participated in by 700 boys and girls in the first eight grades last fall. In all, 12 tons of scrap metal were collected by the students, and proceeds from the sale of this junk were used in the purchase of playground equipment for the school.

A Victory Speakers' Corps to provide speakers on wartime topics for meetings of clubs or societies, is under the direction of John W. Davis. The Corps cooperates with the Office of Civilian Defense in bringing facts about governmental war activities to audiences that have varied here in size from 10 people to 700.

A course in Pre-flight Aeronautics was started last fall, open to juniors and seniors, with Robert Owens as the instructor. The first class consisted of 24 senior boys, all of whom have ambitions of joining the Army or Navy air corps upon completion of high school. It is expected that this course will become a permanent part of the curriculum.

At the present time, mathematics "refresher" courses are being conducted for seniors, and a new course in nursing for senior girls has been organized.

Mr. Gladhill's report concludes: "The Pipestone Schools at War Program has been very cooperative with the United States government. Every activity that has been suggested by the government has been receiving the whole hearted cooperation of both faculty and students alike. It will be that way during the second year of our program."

Second Row: Eugene Nelson, Donald Knutson, James Spark, John Robson.

S. A. S.

Because some of the students interested in art were unable to arrange it into their present schedules, the S.A.S. club originated to provide an outlet for artistic expression.

The initials S.A.S. stand for School Arts Service, and the duties of the members include fulfilling requests for art work. Some of the projects were: a mural for the school library, demonstrations of art techniques in the grades, homecoming decorations and posters, Christmas decorations, and the decorations for the basketball tournament. The club is also called upon during the school year to make special posters and signs.

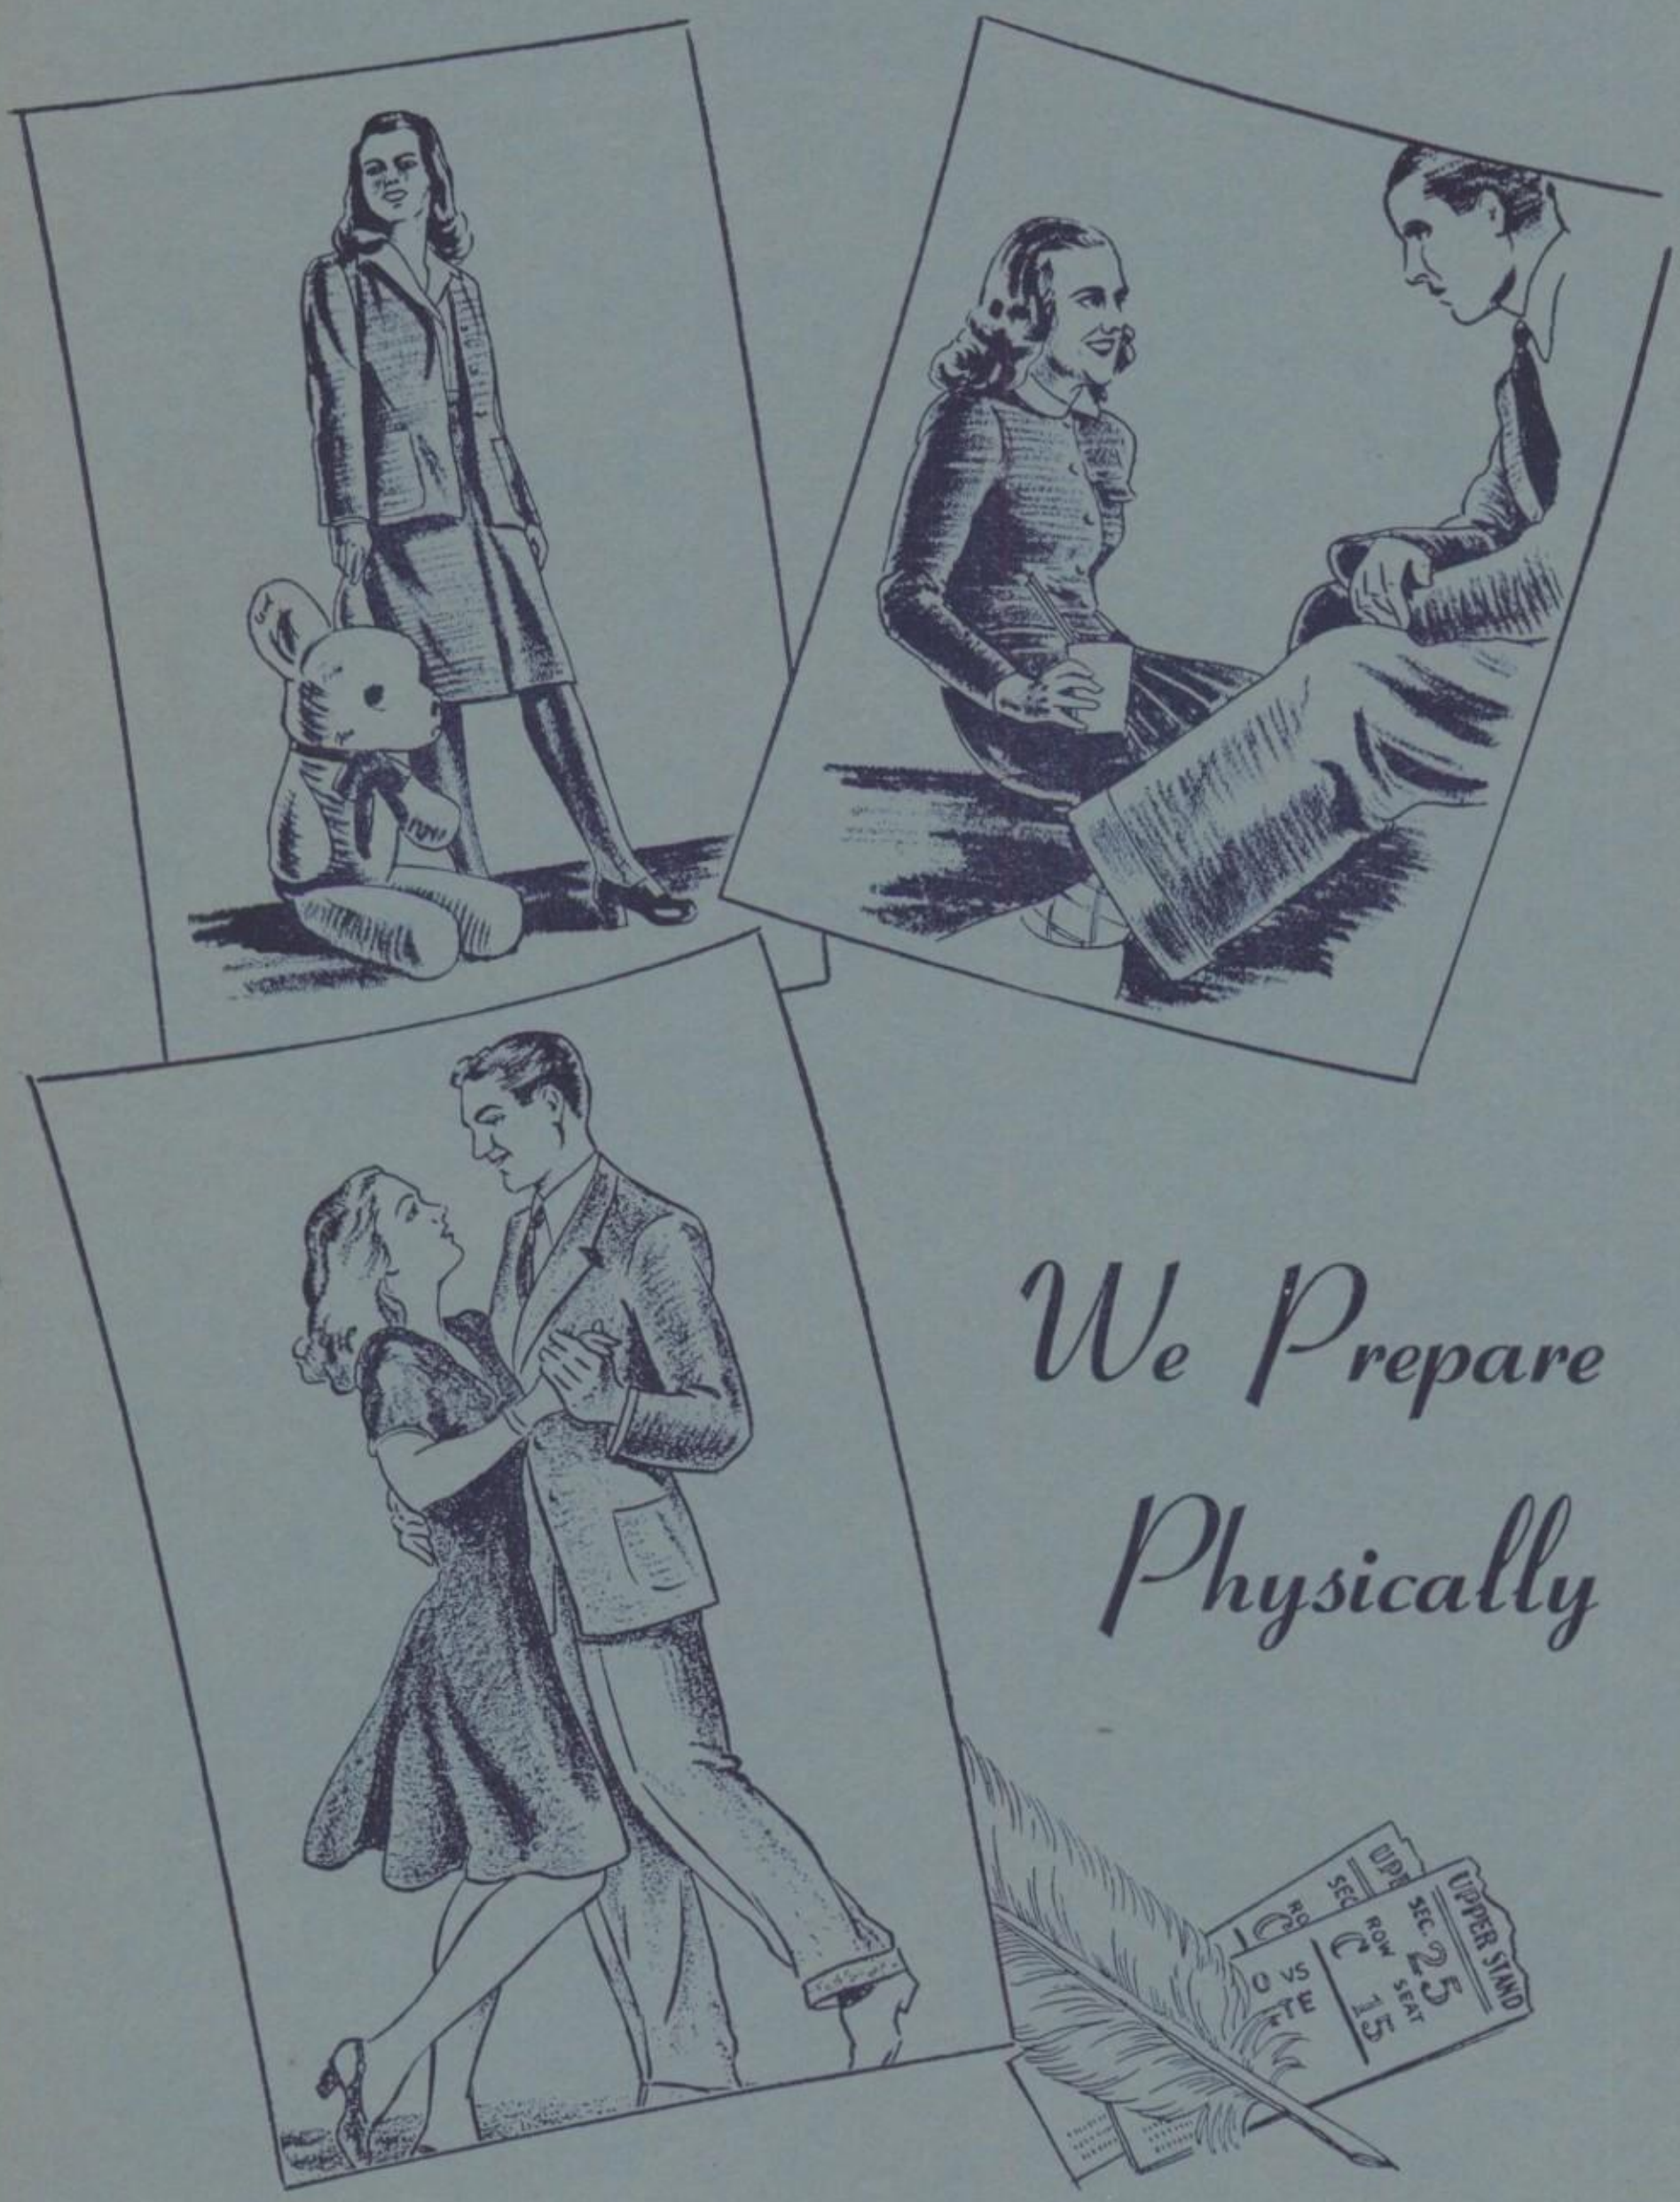
The officers for this year are:

President ..... Donna Mae Drumm

Vice President ..... James Spark

Secretary-Treasurer ..... Connie Gilman

Sponsor ..... Miss Eleanor Solfelt



We Prepare Physically

Speaking of Trophies . . .

In our trophy cases on first floor, there is an interesting mass display of all of our trophies. You will find nearly all of these were acquired in track; in fact, two-thirds or more. You will see sturdy figures on the pedestals, symbolic of athletic achievement.

There is a wide range of dates on these trophies, some as far back as 1930 or earlier. Besides the athletic trophies, there are several debate and declam awards and plaques.

We are proud of our trophies. They stand as an unquestionable proof of the achievement of Pipestone High School students in the past, and should serve as an inspiration for ambitious students in the future.

Second Row: Delores Huemoller, Catherine Meyer, Macey Ihlan, Maxine Smith.

Cheer Leaders

The cheer leaders are the peppy students who lead us in rousing yells for the team. Under the direction of Miss Loeffel they planned and led all of our pepfests before football and basketball games. At the games they inspired the audiences to root for victory.

Two new cheer leaders were elected this year, Dean Giles for Junior High and Cathy Meyer for Senior High; however we lost Dean in the middle of the year when he moved away. Next year we shall miss the enthusiasm and competent leadership of Macey Ihlan who has been a great asset to the Pipestone cheerleading squad for three years.

Football – 1942

The football squad for the season of 1942, very inexperienced and green, had very fine spirit and the will to improve; and as a result they showed improvement as the season wore on. Victories included wins over Worthington, Flandreau, and Luverne. Jack Lambert and Donald Erickson were elected honorary co-captains for the season.

September 18

PIPESTONE 0–TRACY 2

In the opening game of the season, Pipestone was defeated by Tracy. During the first part of the game, neither team was able to get close to the opposite goal line; however, late in the fourth quarter a mix-up in signals permitted Tracy to score a safety.

September 25

PIPESTONE 7–WORTHINGTON 0

In the first home game the Arrows played much better football when they defeated the Trojans with a score of 7-0. The Trojans repeatedly fumbled the slippery ball while the Arrows' alertness accounted for their victory. Don Erickson played a fine game with Jack Lambert and Don Steinmeyer as standouts defensively.

October 2

PIPESTONE 6–MARSHALL 14

Marshall proved to be much weaker than it had been for a number of years. In the first half the Arrows outplayed the Tigers with a score of 6-0 in Pipestone's favor. "Chuck" Even scored Pipestone's only touchdown. The Arrows' standard of playing lowered in the last half.

October 9

PIPESTONE 13–FLANDREAU 0

The Flandreau Flyers outplayed Pipestone, but Pipestone struck swiftly on two occasions to set up the winning points. "Butch" Erickson made 70 yards in a flash to score Pipestone's first touchdown, and "Bud" Paradis scored our second touchdown with a run of 80 yards.

October 16

PIPESTONE 0–CATHEDRAL 27

Pipestone was outclassed in a game in which the Irish scored their touchdown as a result of long passes and runs. The speed and ruggedness of the opponents were the determining factors in Pipestone's loss.

October 23

PIPESTONE 7–CLARKFIELD 13

The lack of spirit had much to do with the Arrows' downfall in the first game played with their new opponent, Clarkfield. Clarkfield scored in the first few minutes, but Pipestone's hopes were raised in the second quarter when Erickson put us in the lead with a touchdown and the extra point. Pipestone's disappointment came in the last five minutes of the game when Clarkfield scored the final touchdown.

November 6

PIPESTONE 0–BROOKINGS 7

Pipestone played on even terms with Brookings, but the Bobcats managed to put across the winning touchdown in the second period. The Arrows, having touchdowns called back twice, had some bad breaks. Although this game was disheartening for the Arrows, it was a moral victory for us; because the Bobcats were expected to win by a larger margin.

November 11

PIPESTONE 6–LUVERNE 0

The annual game between two great rivals proved to be much the same as former games played between them. Harold Meyers thrilled the fans by running the opening kick-off back 90 yards for a touchdown.

It looked as though the Arrows would have a walkaway, but Luverne became stronger and more powerful as the game progressed. During the first half neither team made any spectacular advances. In the second half, particularly in the last quarter, the large homecoming crowd received some hair-raising scares as the Cardinals threatened to score.

Although the Pipestone team didn't have a too successful season, any season in which the Arrows defeat Luverne can be called successful by both the team and their many followers. The Arrows had a tough schedule, but under their very capable coach, Milton Hollister, and his assistants, Gladhill and Moilanen, they played heads-up football.

The seniors leaving this year are: Co-captains Jack Lambert and Donald Erickson, Manager Harold Ibach, John Hallahan, Donald Halloran, Jack Crook, Ben Gurley, Harold Meyer, Ray Brockberg, Harold Lovell, Keith Thorndyke, Delbert Meyer, Willis Walz, Erwin Greve.

Basketball

Prospects for the 1942-43 Pipestone High School basketball team seemed quite fair at the start of the season. Six lettermen, who returned from last year's District Championship, were as follows: Dick Cheney, John Hallahan, Willis Walz, Don Steinmeyer, Russ Harmsen, and Erwin Greve. From this group Walz, Hallahan, and Harmsen participated in most of the regular play of the previous season. Although it took a while for the squad to get accustomed to the fast break style of play, in our first game against Brookings we got off with a good start. Having defeated Worthington and Jasper quite easily, the squad began to hit a few ruts on the basketball highway. The team met its first defeat against Luverne, their traditional rivals. Another game was lost to Fulda by a score of 40 to 41 which showed that the gang was again pulling together. Our final loss came when we played Lake Benton.

The season's record for high school play was 12 wins and 3 losses. Harmson and Steinmeyer teamed well together as forwards, often catching the opponents off balance for easy scores. Harmsen was especially clever in feeding the ball to Steinmeyer. Hallahan and Walz were stalwart defensive men and occasionally went on scoring sprees. Cheney and Erickson alternated at a guard position and came through with points when needed. Before Harold was injured, he hit his season's high shortly after Christmas when he filled in for the injured Harmsen. Delbert Meyers progressed rapidly throughout the year, but he was unable to make a first team position as this was his first year out. Benjamin and Argetsinger worked hard, and they will be expected to do great deeds next year.

December 4

PIPESTONE 32–BROOKINGS 27

The Arrows won the first basketball game, making use of a flashy offense that offset a weak defense. Pipestone looked unbeatable for brief periods, but in the remainder of the game the Bobcats almost overtook them. Harmsen had high scoring honors with 13 points.

December 11

PIPESTONE 42–WORTHINGTON 17

After a slow start in the first half, the Arrows came back in the last half with a decisive victory over the Trojans. The Arrows were remarkably improved over the week before. Pipestone played a very clean game and did not tire as easily as in the first game. "Baldy" Steinmeyer led the Arrows with 14 points.

Dcember 18

PIPESTONE 25–JASPER 12

The Arrows remained in the unbeaten list by trimming a veteran Jasper quint that did not play up to expectations. The scoring was quite evenly divided among the Arrows.

December 30

PIPESTONE 40–ALUMNI 41

In a high scoring game the stars of former Pipestone teams defeated the high school cagers requiring an overtime period to do it. With 15 seconds remaining Bob Stout of the Alumni sank a long shot and gave the Alumni a 1 point lead just ahead of the buzzer.

January 8

PIPESTONE 15–LUVERNE 44

The Arrows were completely routed and humiliated by the Luverne Cardinals. Luverne presented a large team that easily penetrated our unusually weak defense. Perhaps the small Luverne floor had much to do with the final outcome.

January 15

PIPESTONE 19–SLAYTON 7

The Wildcats, who played a very unaggressive type of ball, proved to be of little trouble for the Arrows. The Wildcats seemed contented to pass the ball around and seemed reluctant to shoot causing a very dull and slow game.

January 21

PIPESTONE 40–FULDA 41

In a fast game Pipestone returned to early season form although they did go down in defeat. Fulda had a fine team leaving the Arrows with their hands full. Evidence of better teamwork was shown by the Arrows; Steinmeyer kept up his form in topping the scoring column with 17 points.

January 26

PIPESTONE 33–FLANDREAU 13

A greatly improved Arrow team, playing aggressive ball and employing their best defense of the season, convincingly defeated a good Flandreau team. Steinmeyer was high-point man; Willis Walz also received high scoring honors.

January 29

PIPESTONE 32–LUVERNE 26

With revenge in their minds and plenty of "jinniger" in their play, a fighting Pipestone team deservedly won from the Luverne Cardinals in an exciting game typical of these two keen rivals. The Arrows had a decisive lead at the half, but a rally by the Cards in the last period put the fans in a frenzy. Steinmeyer, Hallahan, and Cheney were the outstanding players.

February 5

PIPESTONE 44–MARSHALL 27

The Marshall Tigers were completely outplayed by the Arrows, who have been on the victory march. The pace set by the Arrows at times had the Tigers dizzy. For example, in the third quarter Pipestone scored 5 field goals in 3 minutes. The splendid teaming of Harmsen and Steinmeyer again permitted the latter to get high scoring honors, while Walz, who also had high scoring honors, was the main defensive ace. If you add to that the splendid floor work of Hallahan and the good type of ball played by the rest of the team, you will readily see the reason for the victory.

February 12

PIPESTONE 39–SLAYTON 27

Slayton was just as easy to beat as in the former game, and the Arrows had the upper hand all the way. Coach Moilanen did much experimenting with his reserves, and many new combinations were discovered. Steinmeyer was in his usual place with high scoring honors.

February 16

PIPESTONE 37–JASPER 18

Pipestone had no trouble defeating a Jasper quint that again did not play up to expectations. Pipestone was not hard pressed and performed brilliantly all the time. Russell Harmsen made himself the star for Pipestone as he busied himself with feeding the ball to his mates and collecting 10 points.

February 23

PIPESTONE 48–CATHEDRAL 29

The Arrows trailed 10-5 at the quarter, but their classy exhibition in the second quarter showed that they can come from behind to win a game. Scoring 18 points in the second quarter while holding the visitors to 2, the Arrows decisively beat a good Cathedral team. The scoring was quite evenly divided among the starters with Steinmeyer again the high point man.

February 26

PIPESTONE 34–MARSHALL 33

In a very close game the Arrows deservedly won from a Marshall quint that employed football practice in the final period. The Arrows had a comfortable 23-11 lead at the half; however, in the last quarter, they scored only 1 point to Marshall's 12. Pipestone managed to protect their slim margin with some clever stalling.

March 2

PIPESTONE 27–LAKE BENTON 34

In one of their few defeats of the season and the first defeat on its home floor, the Arrows were clearly outclassed by a good Lake Benton team. The Arrows were playing considerably below their usual form, and they also permitted their defense to crack wide open at times. Steinmeyer led the Pipestone scoring with 11 points.

March 5

PIPESTONE 49–WORTHINGTON 18

Rolling up their highest score of the season Pipestone showed lots of class in defeating Worthington. Steinmeyer scored 4 field goals in the first quarter while the second quarter scoring was evenly divided. Harmsen and Walz each scored 3 times in the third period, and the reserves generally took over in the last period. Harmsen, Steinmeyer, and Walz scored 12, 13, and 14 points respectively.

DISTRICT TOURNAMENT

Pipestone's hopes of retaining the district championship title were completely shattered in the first round when an underdog Jasper team played inspiring basketball to beat a favored Pipestone team 32-29. The Arrows definitely had an off day; although the team was trying hard, the shots just wouldn't go in. In the other two games of the first round, Luverne won easily from Ellsworth, 36-27, and Slayton beat Worthington 25-23.

In the semi-finals Fulda walloped Slayton 34-18, and Luverne won a double-overtime thriller from Jasper with a score of 18-16. The five iron men of Jasper received high praise from the crowd because they played 2 strenuous games in one day without a substitute.

In the championship game Luverne beat Fulda 29-19, and thus won the right to represent District 8 in the regional tournament at Mankato. Jasper won easily from Slayton 31-26 to receive consolation honors. Mention should be made of the fine recognition received by Hallahan and Walz by being placed on the honorary all-tournament team.

P.H.S. letter winners for 1942-43 are: John Hallahan, Willis Walz, Don Steinmeyer, Dick Cheney, Russ Harmsen, Butch Erickson, Harold Ibach, Delbert Meyer, Neb Benjamin, Don Argetsinger, Mgr. Bob Cook.

First Row: Elwin Thiele, Verne Long, Glenn Ressmeyer, Earl Pfantz.
Second Row: Coach Strom, Bernard Paradis, Ben Gurley, Lloyd Lange, Robert Benjamin, Paul Ashton, Donald Erickson, Coach Sandell.
Third Row: Merle Dibble, John Frahm, Steve Hicks, Alfred Winters, Charles Even.

Track (Spring, 1942)

The first meet was held at Brookings April 18 with Pipestone placing third. The Arrows took two first places—Verne Long winning the 440, and Earl Pfantz winning the shot put with a toss of 36 ft. 11 in. Other point winners for the Arrows were Ressmeyer, Erickson, Winters, and Greve. Pipestone placed third in both mile and half-mile relays.

Pipestone took second place in the Flandreau Indian School invitational track meet; Brookings captured first place by winning the last event of the meet to nose out the Arrows. Hicks was a veritable track team by himself, scoring 20 points of the Arrows' total. He won the high hurdles, discus and shot put, and was second in the low hurdles and high jump. Finally he was on the half-mile relay team placing third. Other Arrow point winners were Pfantz, Long, Erickson, Winter, Backlund, Dibble, Thiele, and Even.

Pipestone's skeleton track team, composed of but five men, placed third in its class at the Invitational Meet at Carleton College. They compiled 27 points in spite of their tough competition and the smallness of the squad. Pipestone's competitors were Steve Hicks, who tied the meet record in winning the high hurdles, Earl Pfantz, Vern Long, Glen Ressmeyer and Donald Erickson.

Pipestone, defeating a dozen southwestern Minnesota school teams, easily won the District Meet held at Pipestone. The final count gave Pipestone 89 points. Unfavorable weather and an unusually slow track, made marks a disappointment.

Half a point prevented Pipestone from taking second in the Regional Track Meet. Steve Hicks was again the Arrow's heaviest point winner. Other participants were Winter, Long, Pfantz, Ressmeyer, and Erickson.

Steve Hicks competed in the State high school track meet held at Minneapolis on May 23. He qualified in low and high hurdles, shot, and discus; he also placed fourth in high hurdles.

First Row: Patricia Kilbride, Margaret Bruns, Ethel Totman, Marion Studt, Patricia Bailey, Joan Carlson.
Second Row: Rolland McQuoid, Luther Herman, Jay Ellingson, Bud Knutson.
Third Row: Donald Knutson, Donald Schaap, John Pinnell, James Teply,
Charles Koopman, Instructor John Davis.

Davis Tumblers

The first exhibition of Mr. Davis' tumblers was given at the local Orpheum Theatre in an amateur program. A performance was also well received at the picnic sponsored by the Civic and Commerce and the 4-H. A program was given between halves of the Luverne game. The final showing was a splendid performance given on the last night of the district basketball tournament.

The members of the team are as follows: Dicky Davis, Buddy Knutson, Rolly McQuoid, Jay Ellingson, Don Schaap, Don Knutson, John Pinnell, Eddie Bruns, Chuck Koopman, Jack Sturdevant, Lester Beal, Luther Herman, Jim Teply, Joan Carlson, and Ethel Totman.

First Row: Lois Raph, Darlene Anderson, Betty Ellingson, Catherine Meyer, Roberta Knutson, Joan Bensell, Mary Fisher, Elva DeVries.

Second Row: Betty Jane Linnemeyer, Maxine Smith, Delores Huemoller, Barbara Ashton, Clyda Dressen, Viola Froning, Maxine Greenen.

Third Row: Harriet Iverson, Margaret Johnson, Lois Ann Tostengard, Macey Ihlan, Donna Waite, Billie Ann Lambert, Beverly Sturdevant.

Fourth Row: June Zetterland, Pauline Krick, Donna Drumm, Henrietta Daniels, Rosemary Weise, Helen Ressmeyer, Mary Telford.

G. A. A.

The purpose of the Girls' Athletic Association is to provide an opportunity for girls to get together after school hours for healthful recreation and exercise. The G.A.A. runs the intra-mural sports program which organizes girls to play in the gymnasium twice a week. The girls practice skills and play in tournaments for a wide variety of sports. The team sports offered are soccer, volleyball, basketball, and softball; and the individual sports are badminton, tennis, deck tennis, and ping pong.

Any girl who is in the ninth grade or above and has at least a C average in her academic subjects may become a member.

Because of transportation difficulties this year the G.A.A. did not sponsor nor attend any play days with other schools.

In the spring a banquet will be held. At this time the members who earned enough points by taking part in sports will be awarded letters and pins.

The G.A.A. wrote and adopted a constitution which contains the regulations and procedures by which the organization functions. The G.A.A. was led by a very capable board and sponsored by Miss Dorothy Loeffel.

I know a girl so modest,
That when a clock she passed,
She would not look upon its face,
For fear it might be fast.

The world is old, but likes to laugh,
New jokes are hard to find.
A whole new Annual Staff,
Can't tickle every mind.
So, if you find an ancient joke,
Dressed up in a modern guise,
Don't frown and give the thing a poke,
Just laugh! Don't be too wise.

A danca, a data,
Perchanca, out lata,
A classa, a quizza,
No passa, gee whizza!

Mr. Sogn: "Do you want a large or a small picture?"

Dooley: "Small."

Mr. Sogn: "Then, close your mouth!"

Sonnyboy: "I pulled off something big last night."

Magnus: "What was it?"

Sonnyboy: "My shoes."

Willie: "What's your average income?"

Shorty: "Oh, about midnight."

Glenn: Love is like a cafeteria.

Tootie: How so?

Glenn: You grab the first thing that looks good to you and you pay for it afterwards.

Mr. Davis: What did you say, Henry?

Henry: Nothing!

Mr. Davis: Of course, but how did you express it this time.

There are meters of accent,
There are meters of tone,
But the best kind of meter
Is to meet'er alone.

Russ: My only books are women's looks . . . I sure do love to study.

Freshmen–idle.
Sophomores–idyll
Juniors–idol
Seniors–ideal

Lucy met a train
The train met Lucy
The track was juicy
The juice was Lucy.

TO A GOOD SENIOR!

Life's a frolic, and Life's a rhyme;
We've laughed a lot from time to time.
But, better still, in Life's rough weather,
I'm glad that we were here together.

———

WAR AND PEACE

Wartime is winter, when overhead
Dark branches dangle, seeming dead—
But there's a time when tempests cease
And brown boughs blossom. That is peace!

———

Roses are red,
Violets are blue,
Sugar is sweet—
Wasn't it?

———

STATISTIC

Girls will find
That men grow chummier
Much faster in
The spring than summier.

———

Donald B.: Say, do you like to play with blocks?
Lawrence D.: Not since I grew up.
Donald B.: Then quit scratching your head.

———

"It's the little things that tell!", said Dorothy J. as she yanked her brother from under the sofa.

———

John: My brother is a haberdasher for a railroad.
Shorty: What does he do?
John: He has charge of the ties.

———

Doug, at Hi-Y: Did they say anything about the cooking?
Mr. Hollister: No, but I noticed them praying before they started eating.

———

Harriet D.: I want a lipstick.
Clerk: What size, please?
Harriet: Three auto rides and a house party.

———

Baldy S.: Say, the heat is intense.
Dick C.: Well, stay out of the tents.

———

Cathy: What kind of a husband do you think I should look for?
Max: You'd better stick to single men.

———

Jean S. to Miss Lowe: If I make a mistake in typing, which will be more patriotic—to erase the mistake and save the paper or to take a new sheet and save the eraser?

AW! YER PHILLIPINES!

Waiter: Are you Hungary?
Ben: Yes! Siam.
Waiter: I'll Russia to the table and Fiji.
Ben: All right, Sweden my coffee and Denmark my bill.

———

Russ: (Putting his hands over Barb's eyes.) Guess who it is in three guesses or I'll kiss you.
Barb: Al Jolson — Jack Dempsey — Buster Keaton.

———

Argie: I wonder why women pay more attention to beauty than brains?
Andy: Because no matter how stupid a man is, he is seldom blind.

———

FOOLISH

Two of the things that make you feel foolish is to step on a running board that isn't there and to have a door knob come off in your hand.

———

After a girl has been in hot water several times, she grows cold.

———

Last night I held a hand
So dainty and so sweet;
I thought my heart would
surely burst;
So wildly did it beat.
No other hand e'er held so tight,
Could greater happiness bring;
The lovely hand I held
last night—
Four Aces and a King!

———

Morale is what keeps your feet going when your head says it isn't possible.

———

Russ: Hello, is this the beauty shop?
Manager: Yes, sir.
Russ: Send one over, will you?

———

Gladhill: Name a great universal time-saver.
Johnnie R.: Love at first sight.

———

It is easy to understand why men fail, but difficult to discover why they succeed.

———

At midnight, when the party's high, tomorrow seems as far off as next month.

When the average man argues with a woman, the final result usually is: "He came, he saw, he concurred."

———

And stretched out before us are 365 "tomorrows," each one brand new. May you string them all together for the happiest year yet!

———

"I know why knitting is a popular pastime with the women," remarks Shorty I. "It gives them something to think about while they're talking."
